

# Murari Kumar

Software Developer

## Contact

### Address

Patna, Bihar, 800024

### Phone

916 833 0385

### E-mail

[murari99732@gmail.com](mailto:murari99732@gmail.com)

### LinkedIn

<https://www.linkedin.com/in/kumar-murari-b45975127>

## Skills

JAVA

Data Structure & Algorithm

MicroServices

System Design

Restful API

## Tools

IntelliJ/Eclipse

Jenkins/SonarQube

Jira/ IBM Websphere

Swagger/ Postman

Docker/Git/SVN/MQ

JUnit/Mockito

Relational Database/ DB2/Oracle

## Activities

\*Participated in various types of coding challenges. Latest (Advent of Code organized by GitHub) Global Rank- 693 in more than 40 thousands people

\*Got appreciated by stakeholders and award for reducing the existing defects in software

\*Developed some utility tool like XML formatter which can format more than 5 GB file without heap space issue and automating the tedious task of deployments

A computer geek credited with strong ability to solve complex problems with optimal solutions. He has more than one and half year experience in development of banking software and considers himself as a working and proactive person for providing solutions and very proactive about coding and problem solving.

## Work History

2019-08 -  
Current

### Software Developer

TietoEvry (Leading Nordic Company (Product Based)), Pune, India  
Virtual Account Management( Banking Application)

- Used to implement and design different complex business logic using Java , Hibernate, JPA ,Spring frameworks, data structure to provide different functionalities like Credit/Debit, XML and JSON statement processing(CAMT & MT file)
- Full responsible and ownership for modular distributed development of application with unit & integration tests ( deployment & writing test cases) of API in transaction statement module to handle daily activity using real time batch processing. Also used to optimize existing REST API & database query with proper caching mechanism for better performance.

## Certifications

2020-06

Various HackerRank Certificates like Rest API , Problem Solving, JAVA

2020-06

Scrum & Agile Foundation Professional Certificate
